Dear Colleague

Defence Industry – Test and Measurement Day 2007 will soon be here.

In 2006 this event was attended by Front Line End Users, IPT's, Calibration Laboratory and Test & Measurement Group staff. Twenty-five supplier companies from the Test and Measurement Industry took part.

This year the event is scheduled to take place at the **Newbury Racecourse Conference Centre** on **1st November**.

This Industry day provides an excellent forum for government personnel and suppliers to discuss requirements.

Attendance is strictly by invitation only, and invitations can only be applied for in advance of the event. To receive yours, please apply to yunderwood@tm.mod.uk.

We look forward to seeing you at **Defence Industry – Test and Measurement Day 2007**.
