We have moved, at last!!!!

Dear Customer/Supplier,

Following my earlier communications within our Quarterly Newsletters giving details of our new premises, I am pleased to announce that Electroservices has successfully relocated as planned, with the majority of staff in place and services fully operational. The remainder of our staff will have moved from our current Stafford Park location into the new premises at Halesfield 7 Telford by Monday 18th July, which will complete the relocation activities.

With immediate effect our new contact details are as follows:

****This is for ALL correspondents including invoicing, purchase orders, deliveries/collection etc****

Address details :

**Electroservices (Midlands) Ltd
The Calibration House
Halesfield 7
Telford

We continue to focus on all activities that will make this transition in our new building as seamless as possible for our clients and our employees. However, should you experience any problems in contacting a member of Electroservices staff directly, please use the primary contact number above and our Administration team will be happy to assist you.

Thank you for your understanding and support at this time.

Yours sincerely,

Simon Plant
Managing Director.
